We Answer

## ORSWMD RECYCLING GRANT PROGRAM

The following goals have been determined by the ORSWMD board to govern the awarding of grant funds:

- To promote environmentally sound alternatives to land filling of district waste.
- To promote waste reduction, recycling and resource recovery throughout the district.
- To encourage partnerships between public, private entities or political subdivisions.
- To encourage the development and growth of small businesses.
- To promote the creation of jobs throughout the seven-county district.
- To encourage the development of local markets of recyclable materials.

# ORSWMD GRANT PROJECTS
