

30th Annual Ozark Rivers Solid Waste Management District Earth Day Poster, Trash and Graphic Art Contest

Eligible Participants

Students and homeschool students in grades K to 12th, residing in one of the following counties: Crawford, Dent, Gasconade, Maries, Phelps, Pulaski or Washington are encouraged to participate. The Graphic Art section is also open to post-secondary students enrolled in the seven-county region.

Rewards

First place winners receive: Earth-friendly gifts (\$30 value). Second place winners receive: Earth-friendly gifts (\$15 value). Honorable mentions receive: Earth-friendly gifts (\$5 value). Prizes are made of recyclable material. All participants will receive a small token from the district.

Contest March 1-18, 2021

Entries may be completed any time during the year. Submissions only accepted between March 1 and March 18. Entries may be taken to the county clerk's office at your local courthouse for collection or delivered directly to MRPC. If submitting five or more trash art projects, contact the district to arrange transport. No projects will be accepted after March 18th.

THEME: Go Green - Keep Our Planet Clean!

Make a Positive Impact at Home and at Your School.

All poster and electronic art entries should promote the themes of protecting the planet through reducing, reusing, recycling, repurposing, and rotting (composting). Trash art projects need not adhere to the theme, but should be constructed of recyclable and/or repurposed material. Projects may be completed at home or in the classroom.

Submissions

- Posters and graphic art should be no larger than 18" x 13". Copyrighted clip art and other characters (like Superman) will be accepted, but cannot be used in future promotions.
- Trash art projects should be no larger than 1' x 1' x 1'. Projects must be made from recycled or re-purposed materials.
- All submissions must have: student name and grade; school district and school name; teacher/sponsor's name or homeschool contact information. Entries without proper identification may be disqualified.

Judging & Winners

- Contest categories will be judged separately, based on age and grade (unless grades are combined due to low numbers).
- Students may submit entries in each category. Team projects—one project by multiple students—will not be awarded.
- Winners and honorable mentions will receive a certificate from the district in recognition of their achievement. Honorable mentions are at the judge's discretion, and all decisions are final.
- Notification of winning entries will be sent to schools by mid-April; awards may be picked up in late April or distributed in early May.
- All submissions become the property of the district and may be used for public awareness, information campaigns, t-shirt designs, etc.
- If students, parents or teachers wish to have projects returned, they may be picked up at the district office between May 1 and June 1.

NO MATTER HOW YOU LIVE, WORK, AND PLAY, EVERYONE PRODUCES WASTE.

Earth Day Poster, Trash & Graphic Art Contest

Ways to Go Green!

- Look for logos that identify better choices:

Use community waste collection services:

- Special Waste Collections (some fees applied)

- Household Hazardous Waste (free services)

- Request a free clean-up kit for your school

Rethink - Refuse - Reuse - Reduce - Repurpose - Recycle

Keep Our Planet Clean! Visit our website at ozarkrivers.org and learn where to dispose of electronics, appliances, tires and more or find us at Facebook at ORSWMD.

Special Waste Collections

May include appliances, electronics, tires and metals; please check each event as collected items may vary.

2021 residential and farm collections will be held in the following communities:

Dixon - May 8

Rolla - June 12

Vienna - October 2

St. Robert - October 9

Watch for event updates on our website at ozarkrivers.org or on Facebook at ORSWMD.

Household Hazardous Waste

Collection sites are located in Rolla and St. Robert and available by appointment. Visit our website under "programs" for details at ozarkrivers.org.
